- 17.2 The City shall allow LPDA members the option of using the funds referenced in Article 17.1 for work-related training seminars, symposiums, etc., that are not reimbursable by the City. All training and time off for training must be approved in advance by the department head.

### ARTICLE XVIII - HOURS AND OVERTIME

- 18.1 Work schedules presently in effect shall remain in effect; however, the City reserves the right to change the hours of work as stated above after consultation with the employees involved. Notice of permanent changes to this schedule must be given two weeks in advance. Temporary changes in this schedule must have at least 24 hours notice.
- 18.2 The City agrees to implement a twelve hour work schedule for Dispatcher/Jailer positions assigned to the Communication Center, with a one hour paid lunch and two (2) fifteen minute breaks. The hours of operation shall be from 0700 to 1900 for day shift and 1900 to 0700 for graveyard. When fully staffed with 14 trained Dispatcher/Jailers, there will be one overlap shift from 1500 to 0300 hours. Alternative work schedules may be developed by mutual agreement between an employee (s) and the appropriate supervisor.
- 18.3 It is mutually agreed to try an alternative schedule for the Community Service Officers (CSO) assigned to the Telephone Reporting Unit, Patrol Division, Partners and Investigations for the life of this MOU. Employees assigned to the above mention units shall work a 9-80 schedule. The personnel participating will have alternative Fridays off and on the Friday they work, they will work an eight hour day.

It is mutually agreed that employees participating in this schedule will officially begin their work week at noon Friday to avoid FLSA conflicts and/or overtime.

It is mutually agreed that in the event of unexpected staff shortages, this alternative work schedule can be terminated with 72 hours notice.

It is mutually agreed that at the conclusion of this trial period, if this alternative work schedule has proven to be beneficial to both the employees and the organization, then a determination will be made as to whether or not to continue this work schedule.

- 18.4 Overtime work is work performed by an employee outside his/her regular hours, and includes time worked:
- 1) In excess of forty (40) hours in a work week for CSO's and eighty (80) hours per pay period for Dispatchers. This provision may be nullified if a shift trade is involved.

LODI POLICE DISPATCHERS ASSOCIATION

---

- 2) In excess of eight (8) hours in any work day for those on an eight (8) hour shift, in excess of nine (9) hours in any work day for those on a nine (9) hour shift, and in excess of twelve (12) hours per day for those on a twelve (12) hour shift
- 3) Time worked outside of regular hours of work on a work day unless notification has been made in accordance with this MOU.
- 4) Time worked on a non-work day unless involved in a shift trade.

Such work shall be compensated at the overtime rate of one and one-half time compensatory time off at the employee's option. Compensatory time off may be accumulated to 240 hours and may be reduced to zero (0) at the request of the employee with a ten (10) day notice to the department payroll clerk, to be paid on the first Friday thereafter, unless requested to be paid on regular payroll check, then it shall be paid the first payday thereafter. Use of the compensatory time off shall be at the option of the employee, consistent with requirements of the city.

- 18.5 Employees who are required to report for prearranged work on their non-work days shall be compensated at the overtime rate for actual hours worked, but in no event shall they be paid for less than three (3) hours.
- 18.6 Rest Period: If an employee has worked for six (6) hours or more at the overtime rate during the sixteen (16) hour period immediately preceding the beginning of his or her regular work hours on a work day, he shall be given a rest period of eight (8) consecutive hours at the completion of the overtime work. Compensation for the eight (8) hour rest period shall be allowed at the straight time rate at no cost to the employee. In the event a Supervisor or Watch Commander deems it necessary for an employee to work through his/her rest period, the employee will continue being paid at the overtime rate.
- 18.7 Compensation paid to employees called out in emergency situations, outside their regular work hours, shall be a minimum of three hours pay at the overtime rate. Additional call outs, during that day, shall be compensated at the overtime rate for actual hours worked with a one (1) hour minimum. Only one call out between the hours of 12:00 o'clock midnight and 12:00 o'clock midnight shall be compensated at the minimum three (3) hour period.
- 18.8 When, at the request of the supervisor in charge, an employee reports for prearranged overtime on work days outside of his regular work hours, he or she shall be paid overtime compensation for actual worked time in connection therewith, provided however, that if any such employee continues to work into his regular work hours, he shall be paid overtime compensation only for actual work time up to his regular work hours.

## 18.9 Communications Center Staffing

When staffing shortages occur in the Communications Center due to unforeseen or exigent circumstances, Dispatcher/Jailers shall be called back to work under the following guidelines. Staffing shortages shall be determined by the number of fully trained personnel actually on duty in conjunction with the amount and type of work actually needed or logically anticipated on any given watch.

Personnel shall be called for duty by or at the direction of the Watch Commander responsible for the hours of duty to be worked. The three (3) hour minimum call back time, as per this MOU, shall apply.

1) Personnel by Watch

The first option to work overtime shall be given to other Dispatchers/Jailers assigned to the watch suffering the shortage who are on scheduled days off.

2) Seniority

The second option to work overtime shall be given to Dispatcher/Jailers assigned in the Communication Center on scheduled days off by seniority.

Any Dispatcher working an overtime shift must be able to perform all duties of dispatch and jail procedures, with the exception of a dispatcher on light duty. The purpose of this is to eliminate personnel in a training status or an unqualified person from working overtime shifts.

A current seniority list shall be maintained in the Communication Center with an updated work schedule maintained by the Services Division Supervisor and Patrol Watch Commander(s). Dispatch will be responsible for call in/call backs at the Watch Commanders direction. Failure by dispatch to follow this procedure will not subject the city to unwarranted overtime.

3) Vacations and Holidays

Vacation time shall not be canceled due to short-term staffing shortages unless conditions exist which require a total departmental call-out. Holidays shall be canceled in part or fully only as a last resort. In the event any part of a holiday must be canceled, the employee shall be credited with an entire holiday off and an overtime slip submitted for the actual time worked to be paid at the time and one half rate.
